Extras

Custom Barwork

- Add extra poles to a neutral bar.
- Add and MEN System to an existing setup.
- New bars with extra room for large lugs.

Custom Laser Engraved Labels

- Put your Logo and Phone Number on a custom engraved, weatherproof label.
- Increase your clientele list
- Professionally label all of your circuits

We can supply any custom made extras to the client, with or without a switchboard order.

Custom Made Switchboards

TEC Switchboards are not restricted to making only the switchboards you see in this catalogue. Every board we produce is custom made to the clients specifications. We can design and construct boards with minor changes from those seen here in the catalogue, or boards which are completely different to anything you have seen before.
